720 Sportsman Lane Kennett Square, Pennsylvania

Current News Briefs

- ❖ The Membership committee is diligently working it's way through the Wait List, sending out 583 invitations so far this year, which has produced about 160 new members.
- ❖ The Mentors have also been busy, completing 326 sessions, and reported of those sessions, 173 perspective members have completed the final stage for membership.
- ❖ The Mentor Review Board wants members to know they are committed to continue sessions throughout the winter months, despite the cold weather and shorter hours of light and permitted shooting.
- ❖ Do you know there is an After School Archery Program for High School students. The program is held at the indoor archery range on Mondays between 4 and 7pm. The instructor is David Lee and new students are always welcome. Have questions? Contact education@scsfa.org
- ❖ The SCCSFA ARCHERY Winter League will be starting in January. Want to participate? Contact, archery@scsfa.org
- ❖ The 1st day of trout season is Saturday, April 1st. Plenty of trout will be stocked again this year and our traditional children's fishing derby will be held. As a Reminder, those doing late season fishing will need a new license and trout stamp starting January 1, 2023.
- ❖ Do you know there is a Junior Shooting Program. Mark Fenster and his team of certified instructors teach those interested in learning how to shoot. The program is held at the club ranges on Sundays between 2 and 4pm. Both Rifles and ammunition are supplied by the club. The program is also open to non-members and has increased by 6 students since Field Day. Have questions? Contact junior@scsfa.org
- ❖ Marsh Rd, a new and welcomed addition. When the club purchased the 47 acres, there was no way to get from the main grounds to the outdoor archery course unless you drove Rt 926 to Byrd Road. However, a proposal offer by the Facilities committee was approved and the installation of a Low-Water crossing was completed. We can now drive our maintenance equipment over the entire property.
