YOUTH'S PLEDGE

A Responsible Firearm Owner Is a Safe Firearm Owner!

I promise to always use proper hearing and eye protection when using any firearm (or while near other shooters), and will follow the three basic firearms safety rules at all times:

I will **ALWAYS** point my firearm in a safe direction.

I will **ALWAYS** keep my finger off of the trigger until I'm ready to shoot.

I will **ALWAYS** keep my firearm unloaded until ready to use it – but, will always treat any firearm as if it were loaded.

I further promise to immediately obey all commands issued by SCCS&FA instructors/coaches and to act as Ladies and Gentlemen when I am with my shooting friends. I will be helpful and considerate at all times. I understand that the lead in bullets is a dangerous material. Because of this, I promise to wash my hands after handling ammunition, before eating and before leaving the shooting range.
