### Current News Briefs

- ❖ The upgrade to the new 80-yard Outdoor Archery Range is about here. The grading, seeding, and mulching is complete. Currently there is a series of watering heads in place to keep the area moist to get the grass to grow.
- ❖ The building permit for the new Range Pole Barn has been approved by West Marlborough Township. We are anxiously waiting our turn in the contractor's construction schedule.
- ❖ Plans are being considered install manually operated trap range facility for members to use any time during the shooting hours of the Club.
- ❖ A Cowboy Action Shooting committee was approved by the Executive Committee. Congratulations to Joe Neuman and Jack Conomon for their efforts in getting this activity approved.
- ❖ The Club's first ever Cowboy Action event was held on June 17<sup>th</sup>. Monthly events are being planned during the summer and fall months. Keep an eye on the Club calendar for the dates.
- ❖ The Trap Committee is currently working with our engineer, Nick Vastardis, to design an ATA trapshooting range.
- ❖ The Website Group of the Communications Committee has started meeting to improve your online experience. Please send any comments or suggestions to [president@scsfa.org](mailto:president@scsfa.org)
- ❖ The Membership Committee is continually sending invitations for membership opportunities. However, need your help by letting those you know on the Waiting List to patient.  
  
The membership committee receives far too many emails asking "am I on the list" or "When will I receive an invitation to join." Our volunteers have a limited amount of time to donate. Answering these types of emails takes away valuable time from notifying those next in line of their invitation.
- ❖ The club's IT Committee is looking for volunteers. This committee is the heart of the association. If you have talent and time to offer, please email: [Don Sloat](mailto:Don Sloat)
- ❖ The association is looking for a secretary. If interested, please email: [John Primus](mailto:John Primus)
- ❖ Send comments to [newsletter@scsfa.org](mailto:newsletter@scsfa.org)
